

Dentons Self Invested Personal Pension (SIPP)
Summary of Cancellation Rights – Establishment of A New Scheme

1. Under the Rules of the Financial Services Authority, you have the right to cancel your Application for a Dentons SIPP. The statutory Cancellation Period is for 30 days from your receipt of the formal Cancellation Notice, which we will send to you upon receipt of the fully completed and signed establishment documentation. For the duration of this period, any funds within your Dentons SIPP will normally be held in the dedicated SIPP Cater Allen Bank Account, not being used for any alternative form of investment until the expiry of the Cancellation Period.

2. However, you are able to waive the Cancellation Rights with regard to the establishment of the SIPP itself and can elect to do this if you wish to make any such alternative investments within the prescribed Cancellation Period.

3. If you wish to make alternative investment arrangements, having given consideration to the implications of waiving the Cancellation Rights for the establishment of the SIPP itself, please sign and return the enclosed Client Instruction,

4. If you give an Instruction to waive your Cancellation Rights to the SIPP itself, your decision cannot be subsequently rescinded.

Dear Sir

Dentons Self Invested Personal Pension – Cancellation Rights and Alternative Investments

Client Instruction - Establishment

1. I acknowledge receipt of your recent letter in which you have explained the options available for:
 - Exercising my Cancellation Rights for the SIPP itself.
 - Waiving those rights, thus permitting early investment into assets other than a Deposit Account.

2. Having given consideration to the information provided to me, I now wish to instruct on the following basis:

I wish to Waive the Cancellation Rights presently in force for my Dentons SIPP. I understand this will allow me to immediately invest funds in an asset class other than a Deposit Account.
