

SSAS Terms and Conditions of Business 2018

(including Schedule of Services)

1. Dentons Pension Management Limited (Dentons) is authorised and regulated by the Financial Conduct Authority (FCA). The registration details can be checked on the FCA Register by visiting <https://register.fca.org.uk/> or by contacting the FCA on 0800 111 6768 and quoting Reference Number 461094.

It should be noted that services relating to the operation of a Small Self Administered Pension Scheme (SSAS) are regulated by The Pensions Regulator and not by the FCA.

Provision of Services

2. Our services and advice are provided through Dentons Pension Management Limited. Dentons will take instructions from the trustees. Where required, Dentons is authorised to provide restricted advice relating to regulated financial products.
3. In order to give independence and security to your SSAS, all Members and one of our bare trustee companies will act as trustees and Scheme Administrator for HM Revenue and Customs (HMRC) purposes. The bare trustee company will be a party to all investments made by the trustees. We hereby reserve the right to refuse or unwind any transaction which may, in our opinion, result in a tax charge being imposed on the SSAS.
4. Your acceptance of these Terms and Conditions of Business and Schedule of Services are deemed to be effective immediately and continue to be applicable until cancelled by you or us. We reserve the right to make amendments to these terms of business for reasons such as, but not limited to, a change in regulation or legislation and increase of fees;

notice of any changes will be given to you. If you do not agree to any amended terms and conditions of business you are entitled to terminate this agreement.

5. Your objectives are understood to be that you wish to facilitate retirement planning by way of a SSAS. Dentons will not normally provide you with advice concerning the suitability or otherwise of your SSAS in relation to your own circumstances.

We would therefore strongly advise that you seek financial advice in relation to your individual circumstances.

Dentons will not provide advice in relation to whether an intended investment is appropriate or suitable for your own circumstances other than to inform you that any such investment is not considered to be in accordance with HMRC regulations and requirements. In the event you consider that such advice is required, you should seek this from a competent and authorised intermediary prior to entering into any commitment to establish your SSAS or to implement a particular investment.

Termination of Services

6. Should you decide to terminate these Terms and Conditions of Business, Dentons will cease to provide administration services and any associated trustee company will resign as trustee and Scheme Administrator. We would assist in the orderly transfer of title of the SSAS assets into the names of the remaining trustees and any new trustees. We would seek prompt settlement of any outstanding fees and charge for the work involved in the transfer of services to another provider and the transfer of title of the SSAS assets.

Transfer of SSAS Administration to Dentons

7. If you are transferring a SSAS from another provider, we will provide all the necessary documentation to effect the transfer of administration of your SSAS.

Services and Fees

8. The Services to be provided by Dentons, together with details of specific charges and the basis for non-specific time costed charges, are an integral part of these Terms and Conditions of Business and are detailed and explained in the Schedule of Services.

Dentons will provide all the necessary documentation to establish your SSAS under trust and will set up the SSAS bank account selected by you. When your SSAS has been established and registered with HMRC, you will be sent a folder containing copies of all of the completed documentation.

We keep records of all our business transactions for at least six years and, in some cases, indefinitely. Your basic personal data will be kept for a maximum of 6 years following the end of your business relationship with Dentons, after which time it will be destroyed.

All your investments (other than those necessarily using nominee accounts) will be registered in the name of your SSAS unless otherwise agreed in writing.

Dentons does not normally hold original documents, or act as custodian, of the assets of your SSAS.

Fees for administrative services provided by Dentons, which can be met by either the SSAS or the sponsoring employer/founder employer ("the Company") will be invoiced six monthly in arrears from the date of establishment of the SSAS, but Dentons reserves the right to invoice more frequently, if appropriate.

SSAS Terms and Conditions continued

If payment is met from the SSAS, and there are no funds or insufficient funds to meet the fees for administrative services, the Company and/or the SSAS Members will be liable to pay these directly.

Alternatively, in the event that there is insufficient cash held within your SSAS to meet our fees we reserve the right to disinvest assets held within your SSAS to settle our invoices and other payments that have become due. In this event, we would usually disinvest from your most recent investment(s) made, but will take other factors such as ease of disposal into account.

In the event of a tax charge arising which is not settled in full from the SSAS, the Company and/or the SSAS Members will be liable to pay these directly and to meet any such charges together with any additional costs incurred by the Scheme Administrator. These charges will be in addition to any administration charges incurred.

Fees will be invoiced on the due date for settlement within 28 days. We reserve the right to charge interest at 8% per annum above the Bank of England Base Rate to any balance which is not settled within that timescale. All fees are subject to VAT.

Investments

- Dentons will not act as investment manager for the assets held within the SSAS. The responsibility for acting as such rests with you or any nominated (and authorised) representative you might wish to appoint. In its capacity as the provider of administrative services to your SSAS, Dentons will account to you and/or any nominated investment manager for any transactions notified to Dentons.

Legal Entity Identifiers (LEIs)

- New regulations effective from 3 January 2018 mean any legal entity wishing to trade in exchange traded instruments (ETIs) needs to register with the London Stock Exchange. If an LEI is not already in place, Dentons can administer the registration process for the SSAS.

Dentons may be approached by independent financial advisers (IFAs), discretionary fund managers (DFMs) and other investment firms to supply LEIs where there is a realistic prospect of trades taking place. Dentons will supply this information on request, providing we are aware of an existing relationship with the investment company.

If you require further information on which financial instruments require these details to be provided then please contact your IFA, DFM, or speak to your pension consultant at Dentons.

Bank account

- Where the rate of interest allocated to any SSAS bank account is less than the rate of interest paid by any bank to Dentons (across all the accounts that Dentons has with any bank), then Dentons will retain the difference. Any sum retained will never exceed the interest received by the SSAS.

You can also request the establishment of an additional deposit account with any other bank.

General

- Notwithstanding anything else contained within these Terms and Conditions of Business, neither you nor Dentons shall be liable for failure to perform any function or service where the failure is due to any event outside their reasonable control including, without limitation, fire, flood, strikes or other labour disputes (other than those relating to either parties or employees and sub-contractors), war, riot, act of God, insurrection, civil disturbances or acts of Government. Subject to the party concerned promptly notifying the other party in writing of the reasons for the delay and its likely duration, their obligations shall be suspended for the period that the circumstances persist.

Data Protection

- All data held is subject to the provisions and requirements of the General Data Protection Regulation (GDPR) with effect from 25 May 2018, as determined by the Information Commissioner with whom we are registered as the Data Controller. GDPR replaces the existing Data Protection Act 1998 and gives you more clarity over how your personal information is managed.

Our associated trustee company will fulfil the roles of data processor and data controller as defined under GDPR. Dentons will collect sufficient personal information from you in order to establish and administer the SSAS.

This includes basic facts such as your name, address, dependants and contact details but may include health information that is categorised under GDPR as sensitive personal data, for which we will require you to provide your explicit consent.

The lawful basis of the data processing is that you (known as the 'data subject') are giving your explicit consent that collection of the data is necessary for the performance of a contract with Dentons in respect of the products and services provided.

All the personal data we use is controlled by Dentons in the United Kingdom. No third parties have access to your personal data unless the law allows them to do so. We have a data protection regime in place to oversee the effective and secure processing of your personal data.

All information at Dentons is stored on secure servers. All our data transfers to and from authorised third party recipients have built in security features, including encryption, to best protect your personal data. Email communications cannot be secured in such a robust manner, although we do endeavour to supply confidential information in password protected files wherever possible.

We may share your information, including by electronic transfer eg emails, with your consent to other product providers, professional bodies and third party investment advisers we use. We also have a legal obligation to provide information to government departments and regulatory bodies such as the Financial Conduct Authority (FCA), the Prudential Regulatory Authority (PRA), The Pension Regulator (TPR), Her Majesty's Revenue & Customs (HMRC), appropriate Ombudsmen and the Information Commissioner's Office (ICO). We may also use third party companies to administer and communicate information in respect of our legal and regulator obligations.

SSAS Terms and Conditions continued

Where you instruct a financial adviser and/or investment manager in relation to the SSAS, you consent to Dentons disclosing personal information held by Dentons on a confidential basis to your adviser and/or investment manager.

Product providers and investment managers may administer the SSAS investments and provide other services from centres in countries outside Europe that do not always have the same standard of data protection laws as in the United Kingdom. However, they are required to put a contract in place to ensure that your information is adequately protected, and they will also have to fully comply with GDPR, even when your personal information is held outside of Europe.

If at any point you believe information that we retain about you is incorrect, you can request to see this information and have it corrected and possibly deleted. You may also request that your data be transferred to another data controller in a machine-readable format. Providing you with your data information is free of charge, but charges may apply for excessive requests.

Electronic Identification

14. We may verify your identity electronically on a periodic rolling 3 year basis by matching information held by credit reference and fraud prevention agencies to comply with anti-money laundering and data protection regulations.

Details of credit histories are not made available to Dentons although the data provider will add a note to your reference file to show that an identity check has been made; it should not be used for future credit assessment purposes. We will not share the results of any electronic verification checks with any third party. A copy of these results will be held on our systems. By agreeing to these Terms and Conditions of Business your consent is deemed to be given to these verification checks.

Conflict of Interest

15. There may be occasions where we, or one of our other clients, may have some form of interest that could give rise to concern. If this happens or we become aware that our interest, or those of one of our clients, conflict with your interests, we will inform you in writing to obtain your consent before we carry out your instructions.

Financial Compensation

16. As the client of an authorised firm, you might be able to receive compensation from the Financial Services Compensation Scheme in the event that we are unable to meet our obligations towards you. Bank and Building Society deposits are covered to a maximum of £85,000. Most types of investments and mortgage business are covered to a maximum of £50,000. Claims in respect of long-term insurance benefits are 100% protected with no upper limit. Claims in respect of general insurance (e.g. buildings & contents) are covered for 90% of the claim with no upper limit.

Complaints

17. If you have a complaint, please write to the Compliance Officer at Dentons Pension Management Limited, Sutton House, Weyside Park, Catteshall Lane, Godalming, Surrey GU7 1XE or email complianceofficer@dentonspensions.co.uk or contact us on 01483 521521. Your correspondence will be acknowledged and your complaint you may be entitled to refer it to the Financial Ombudsman Service (www.financial-ombudsman.org.uk) or the Pensions Ombudsmen Service (www.pensions-ombudsman.org.uk), depending on the nature of the complaint. You will be advised which is the appropriate body to refer your complaint to.

If we cannot settle a complaint in respect of how we have handled your personal data, you can complain to the Information Commissioners Office (<https://ico.org.uk/>).

Instructions

18. To avoid possible disputes, we normally ask our clients to give us instructions regarding their requirements in writing. We will, at our discretion, accept oral instructions provided they are subsequently, where possible, confirmed in writing.

We will do our best to action your instructions as soon as possible and within no more than 7 working days.

Actuarial Advice & Services
