

Terms and Conditions of Business

and Schedule of Services of the Fairmount Pension Portfolio

1. Dentons Pension Management Limited (Dentons, We or Our) is authorised and regulated by the Financial Conduct Authority (FCA) with register number 461094. Details of this authorisation can be viewed in the FCA Register (<https://register.fca.org.uk/>) or by contacting the FCA on 0800 111 6768.
2. The structure of your pension will depend on how your Plan is/was established and is detailed in the Trust Deed, a copy of which is available on request. Fairmount Trustee Services Limited acts as the bare trustee of the Fairmount Pension Portfolio. Dentons is the scheme administrator and provider of your Plan.
3. These Terms and Conditions of Business and Schedule of Services are deemed to be effective until cancelled by you or us. We reserve the right to make amendments to these Terms and Conditions of Business for reasons such as, but not limited to, a change in regulation or legislation and increase of fees: notice of any changes will be given to you. If you do not agree to any amended terms and conditions of business you are entitled to transfer the Plan assets to another registered pension scheme.
4. Your objectives are understood to be that you wish to facilitate retirement planning by way of a Self Invested Personal Pension ("the Plan"), with you being deemed to be a "Retail Client", unless expressly authorised to adopt an alternative client status in accordance with the provisions of the FCA. Dentons will not normally provide you with advice concerning the suitability or otherwise of your Plan in relation to your own circumstances. We would therefore strongly recommend that you seek financial advice in relation to your individual circumstances.

Dentons will not provide advice in relation to whether an intended investment is appropriate or suitable for your own circumstances excepting that Dentons will inform you should any such investment be considered not to be in accordance with HM Revenue & Customs (HMRC) regulations and requirements.

In the event you consider that such advice is required, you should seek this from a competent and authorised intermediary prior to entering into any commitment to implement a particular investment.

Dentons is authorised to provide restricted advice relating to regulated financial products. Where advice is given, express confirmation will be provided in writing.

Cancellation

5. You can waive your right to the 30 day cooling off period for the establishment of your Plan which will enable it to be immediately established. If you subsequently decide to cancel your Plan once it has been established but there are no funds in the Plan to meet the establishment fee, you will be liable to pay for these personally.

Contributions

6. Either you, your employer, or a third party on your behalf, may contribute to your Plan at any time in one tax year, but contributions must not exceed the maximum annual allowance limits set by HMRC. All eligible personal contributions are made net of basic rate tax which Dentons will reclaim from HMRC. Employer contributions are paid gross. All contributions must be paid into the Plan's default bank account and held in UK pound sterling unless otherwise specifically agreed in writing.

Dentons does not handle client money and will itself never accept cash, a cheque or payment by electronic means from you unless it is in settlement of charges or disbursements for which you have been invoiced.

Transfers

7. We will accept transfers from other registered pension schemes into your Plan either in the form of cash, in-specie transfers of acceptable assets or a combination of both. If the transfer is in-specie, the length of time taken to complete the transfer will vary depending on the complexity of the asset(s) and other parties involved.

Before accepting a transfer of more than £30,000 from a scheme with safeguarded benefits (which includes defined benefit/final salary benefits) into your Plan We require written confirmation that you have received a positive recommendation to transfer from a Pension Transfer Specialist. Cash transfers from defined benefit schemes may take seven working days from receipt of the discharge form(s) at the Dentons office for us to contact the transferring scheme.

Pension benefits

8. You can start taking pension benefits at any time from age 55 even if you're still working. You can start taking pension benefits before the age of 55 only if you suffer from ill health or HMRC has approved this for your particular employment. You can take your pension benefits in stages or the whole fund, to suit your personal circumstances. All pension payments will be made on the 20th of each month.

Death benefits

9. In the event of your death, any remaining funds in your Plan will be distributed for the benefit of your beneficiaries, at the absolute discretion of the Scheme Trustee, who will take into account the beneficiaries you have nominated. In the event of the death of a beneficiary whilst receiving benefits, any of their remaining funds under the Plan will normally be distributed for the benefit of their beneficiaries, at the absolute discretion of the Scheme Trustee who will take into account the beneficiaries they have nominated.

Services and fees

10. The services to be provided by Dentons, together with details of specific charges and the basis for non-specific time costed charges, are an integral part of these Terms and Conditions of Business and are detailed and explained in the Schedule of Services.

We keep records of all Our business transactions for at least six years and, in some cases, indefinitely.

Fairmount Pension Portfolio Terms and Conditions continued

Your basic personal data will be kept for a maximum of six years following the end of your business relationship with Dentons, after which time it will be destroyed.

All your investments (other than those necessarily using nominee accounts) will be registered in the names of your Plan Trustees unless otherwise agreed in writing.

Dentons does not normally hold original investment documents, or act as custodian, of your Plan's assets.

Fees for administrative services provided by Dentons will be invoiced to the Plan and deducted from the Plan bank account half yearly in advance from the Plan's inception date. All ad hoc transactions are payable half yearly in arrears from the Plan's inception date, but Dentons reserves the right to invoice more frequently if appropriate. If there are no funds or insufficient funds in your Plan to meet the fees for administrative services, you will be liable to pay these personally.

Alternatively, in the event that there is insufficient cash held within your Plan to meet Our fees We reserve the right to disinvest assets held within your Plan to settle Our invoice and other payments that have become due. In this event, We would usually disinvest from your most recent investment(s) made, but will take other factors such as ease of disposal into account.

In the event of a tax charge arising which is not settled in full from the Plan, you will be personally liable to meet any such charges together with any additional costs incurred by the scheme administrator. These charges will be in addition to any administration charges incurred.

Fees will be invoice on the due date for settlement within 28 days. We reserve the right to charge interest at 8% per annum above the Bank of England Base Rate to any balance which is not settled within that timescale. All fees are subject to VAT.

Payments by the Plan and indemnity

- From time to time the Plan may receive demands for payment from third-parties (including, but not limited to, property management charges, ground rent or other administration costs). In the event of a bona fide claim for payment by Dentons on behalf of the Plan or from the Plan itself, from any third party, We reserve the right to make a payment from Dentons or from the Plan directly

on your behalf. This includes if demand for payment is made against Dentons, as scheme administrator, or Fairmount Trustee Services Limited as a trustee of the Fairmount Pension Portfolio.

Upon receipt of a demand for payment received by Dentons in relation to the Plan, We will write to you to confirm that the amount demanded is genuine and that the sum is owed. If you fail to provide a written response within the requested timeframe, We reserve the right to deem the demand as bona fide and pay the demanded sum on the Plan's behalf and recover the sum from You, or directly from the Plan itself.

If the claim for payment cannot be settled in full from the available fund, you will be personally liable to make any such payments together with any additional costs incurred such as late payment charges.

You agree to indemnify Dentons in full in respect of any charges or sums (including legal or other costs) incurred by or due by Dentons in respect of payments to third-parties through Dentons' role as scheme administrator or Fairmount Trustee Services Limited as trustee of the Fairmount Pension Portfolio. Such charges or sums are to be repaid by you on presentation of a valid invoice from Dentons.

Investments

- Dentons will not act as investment manager for the assets held within your Plan. The responsibility for acting as such rests with you or any nominated (and authorised) representative you might wish to appoint. In its capacity as the administrator of your Plan, Dentons will account to you and/or any nominated investment manager for any transactions notified to Dentons.

If, on acceptance of an investment following Our due diligence processes, the investment is aborted, we reserve the right to apply an administration charge for work undertaken.

Legal Entity Identifiers (LEI)

- Any legal entity wishing to trade in exchange traded instruments (ETIs) needs to register with a Global Legal Entity Identifier Foundation (GLEIF). Dentons can administer the registration process with the London Stock Exchange by providing our own generic LEI if this is applicable to the investment firm: this service would be free of charge.

However, if the investment firm requires you to have your own unique LEI there will be a charge for this service. Our understanding is that the rules as applied to Plans only require United Kingdom members to provide their name, national insurance number and date of birth to any agent carrying on trades on their behalf.

Dentons may be approached by independent financial advisers (IFAs), discretionary fund managers (DFMs) and other investment firms to supply this information, where there is a realistic prospect of trades taking place.

Dentons will supply this information on request, providing We are aware of an existing relationship with the investment firm.

If you require further information on which financial instruments require these personal details to be provided then please contact your IFA, investment firm, or speak to your Pension Consultant at Dentons.

Bank account

- Your Plan will have its own separate bank account and all monies relating to your Plan are banked via this account.

You can also request the establishment of additional deposit accounts with any other bank accepted by Dentons.

In respect of commercial property, Dentons receives a payment from our block policy by way of an introducer's fee for any clients introduced and signed-up to property/buildings insurance via our block policy.

General

- Notwithstanding anything else contained within these Terms and Conditions of Business, neither you nor Dentons shall be liable for failure to perform any function or service where the failure is due to any event outside its reasonable control including, without limitation, fire, flood, strikes or other labour disputes (other than employees and sub-contractors of those relating to either parties) or war, riot, act of God, insurrection, civil disturbances or acts of Government. Subject to the party concerned promptly notifying the other party in writing of the reasons for the delay and its likely duration, their obligations shall be suspended for the period that the circumstances persist.

We will fulfil the roles of data processor and data controller as defined under GDPR. Dentons will collect sufficient personal information from you in order to establish and administer your Plan. This includes basic facts such as your name, address, dependants and contact details but may include health information that is categorised under GDPR as sensitive personal data, for which We will require you to provide your explicit consent.

The lawful basis of data processing is that you (known as the 'data subject') are giving your explicit consent that collection of the data is necessary for the performance of a contract with Dentons in respect of the products and services provided.

All the personal data We use is controlled by Dentons in the United Kingdom. No third parties have access to your personal data unless the law allows them to do so. We have a data protection regime in place to oversee the effective and secure processing of your personal data.

All information at Dentons is stored on secure servers. All Our data transfers to and from authorised third party recipients have built in security features, including encryption, to best protect your personal data.

We may share your information, including by electronic transfer, eg emails, with your consent to other product providers, professional bodies and third party investment advisers We use.

We also have a legal obligation to provide information to government departments and regulatory bodies such as the Financial Conduct Authority (FCA), the Prudential Regulatory Authority (PRA), The Pension Regulator (TPR), HM Revenue & Customs (HMRC),

appropriate Ombudsmen and the Information Commissioner's Office (ICO). We may also use third party companies to administer and communicate information in respect of Our legal and regulatory obligations.

Where you instruct a financial adviser and/or investment manager in relation to the Plan, you consent to Dentons disclosing personal information held by Dentons on a confidential basis to your adviser and/or investment manager.

Product providers and investment managers may administer your Plan investments and provide other services from centres in countries outside Europe that do not always have the same standard of data protection laws as in the United Kingdom. However, they are required to put a contract in place to ensure that your information is adequately protected, and they will also have to fully comply with GDPR, even when your personal information is held outside of Europe.

If at any point you believe information that We retain about you is incorrect, you can request to see this information and have it corrected and possibly deleted. You may also request that your data be transferred to another data controller in a machine-readable format. Providing you with your data information is free of charge, but charges may apply for excessive requests.

Electronic identification

17. We may verify your identity electronically on a periodic rolling three year basis, or more frequently if required to achieve a positive result, by matching information held by credit reference and fraud prevention agencies to comply with anti-money laundering regulations.

Details of credit histories are not made available to Dentons although the data provider will add a note to your reference file to show that an identity check has been made: it should not be used for future credit assessment purposes. We will not share the results of any electronic verification checks with any third party.

A copy of these results will be held on Our systems. By agreeing to these Terms and Conditions of Business your consent is deemed to be given to these verifications.

Conflict of interest

18. There may be occasions where We, or one of Our other clients, may have some form of interest that could give rise to concern. If this happens or We become aware that Our interest, or those of one of Our clients, conflict with your interests, We will inform you in writing to obtain your consent before We carry out your instructions.

Financial Compensation

19. As the client of an authorised firm, you might be able to receive compensation from the Financial Services Compensation Scheme in the event that We are unable to meet Our obligations towards you. Most types of investments and mortgages are covered to a maximum of £85,000. Claims in respect of long-term insurance benefits are protected 100% with no upper limit. Claims in respect of general insurance (e.g. buildings & contents) are covered for 90% of the claim with no upper limit.

Complaints

20. If you have a complaint, please write to the Compliance Officer at Dentons Pension Management Limited, Sutton House, Weyside Park, Catteshall Lane, Godalming, Surrey, GU7 1XE or email complianceofficer@dentonspensions.co.uk or contact us on 01483 521 521. Your correspondence will be acknowledged and your complaint will be dealt with in accordance with Our Complaints Procedure, a copy of which is available on request.

If We cannot settle a complaint you may be entitled to refer it to the Financial Ombudsman Service (www.financial-ombudsman.org.uk) or the Pensions Ombudsman Service (www.pensions-ombudsman.org.uk), depending on the nature of the complaint.

You will be advised which is the appropriate body to refer your complaint to.
