

Investment Questionnaire

A SIPP or SSAS with Dentons Pension Management Limited (Dentons) can invest in any of the investments in Sections 2 - 6 of this questionnaire subject to satisfying our due diligence requirements and that it will not constitute indirect investment in 'taxable property' (i.e. residential property and or tangible moveable property) at any time while the SIPP or SSAS holds the investment.

PLEASE READ OUR SEPARATE INVESTMENT GUIDANCE NOTES BEFORE COMPLETING THIS FORM.

Details of how to establish that a proposed investment will not constitute indirect investment in 'taxable property' is set out in the separate 'Guidance for a non-standard investment' form. If you believe that the proposed investment(s) is (are) permitted, please complete all relevant sections of this questionnaire, sign and date the declaration and return the questionnaire to us. We will review the completed questionnaire and will let you know the outcome.

We reserve the right to ask for further information if we need it to enable us to make a decision.

It is important that Dentons is aware of the percentage holdings of the main shareholders as we need to ensure that the pension scheme, either alone or together with associated persons (please see definition), would not have control of the company with over 50% of the shares. Therefore, we either look for diversification of ownership where the pension scheme or parties connected with it together with a combination of up to any four other shareholders cumulatively hold less than 50.01% of the shares or there is already an unconnected single shareholder with outright control, ie holds over 50.01 % of the shares.

If you are able to purchase the shares as outlined, please provide a FULL list of the company shareholders post-purchase and their shareholding.
