Please note:

The SSAS must have been registered with HM Revenue & Customs (HMRC) before transfers can be received.

Please note:

We only have authority to contact relevant parties and obtain information about your transfer once you have completed and signed the Transfer Declaration.

Please note:

If you are in ill health at the time of making a pension transfer to your Dentons SSAS and should die within two years, the transfer could result in inheritance tax penalties. We therefore recommend that you take independent financial advice.

Please note:

Please note:
* Before accepting a transfer of more than £30,000 from a scheme with safeguarded benefits (which includes defined benefit/final salary benefits) into a Dentons SSAS, we require that you have received a positive written recommendation to transfer from a Pension Transfer Specialist. Our **'Transfers from schemes offering safeguarded benefits'** form must be fully completed and accompany your SSAS application. We are only able to process a safeguarded benefits transfer when we are in receipt of the fully completed application forms, including the above form. From this date of receipt, we will require a minimum of seven working days prior to the transfer expiry deadline.
