

Secured loan to a UK trading company

A SIPP or SSAS with Dentons Pension Management Limited (Dentons) can make a secured loan to a UK trading company subject to satisfying our due diligence requirements and that it will not constitute indirect investment in 'taxable property' (i.e. residential property and or tangible moveable property) at any time while the SIPP or SSAS holds the investment.

Please read our separate Guidance notes before completing this form.

Details of how to establish that a proposed investment will not constitute indirect investment in 'taxable property' is set out in the separate 'Guidance for a non-standard investment' form. If you believe that the proposed investment(s) is (are) permitted, please complete all relevant sections of this questionnaire, sign and date the declaration and return the questionnaire to us. We will review the completed questionnaire and will let you know the outcome.

Dentons allow a wide range of investments to be held in the Scheme and we would strongly encourage you to seek regulated financial advice before making any decisions. Dentons will not provide any advice on the suitability of investments but reserves the right to refuse to hold any proposed investment in the Scheme. Dentons also reserves the right to ask for further information if we need it to enable us to make a decision.
